Commissioners:

Rolando Esparza Property owner, 5643 N. Clark

Farah Essa Lake Shore Schools and property owner, 5611 N. Clark

Mike Sullivan The SOFO TAP, 4923 N. Clark

> Andy Peters TrueNorth, 5507 N. Clark

> Joanna Miner Thomas Presence, 5216 N. Clark

Pete Valavanis Property owner, 5225 N. Clark

Staff:

Sara Dinges Executive Director

Danny Drees Membership and Communications Manager

> Joelle Scillia Marketing Director

David Oakes Business Services Manager

Laura Austin Community and Events Manager January 28, 2018
Commission Meeting Minutes
Andersonville SSA #22

Commissioners attending: Mike Sullivan, Peter Valavanis, Andy Peters, and Joanna Miner

Andersonville Chamber Staff: Sara Dinges and David Oakes

Commissioners not attending: Rolando Esparza and Farah Essa

Call to Order

Sullivan called to order 9:11Am

Approval of last meeting's minutes

1. Motion to approve minutes by Sullivan. Miner second. Minutes approved.

Financial report

- Balance sheet is healthy.
 - a. Carryover is a less because of pre-paid payments made in fourth quarter of 2016. Carryover is estimated to be around \$3,000.
- 2. P&L
 - a. Categories now mirror City of Chicago's category system
 - b. Total Income
 - i. Keeping TIF rebate
 - \$20,000 less in levy came in due to vacancies or possible non-payments
 - Budget VS Actuals
 - Over-budget in display ads due to WBEZ Chicago radio advertisement for holidays, as approved by commission at November meeting.
 - ii. Increased Customer Attraction
 - iii. Landscaping and Public Art
 - Gethsemane Garden Center's Holiday Decorations payment increased a little to reflect cost of living increase.
 - Sidewalk Cleaning 2017 end of year numbers came in lower because it was a new company, so what was bugeted was an estimate.
 - iv. Shuttle service provded an excellent attraction for families and press for the neighborhood.
- 3. Auditors

- -Hallie from Milk
- -Matthew from Cowboys and Astronauts

Next meeting

- Ideas for Holiday Decorations for 2018
 Façade applications if applicable
 Vacancy Report
 Discussion of adding more meetings to the schedule

Next Business

May 21, 2018

Adjournment

Sullivan motioned to adjourn. Peters second. Meeting adjourned.

David Oakes Business Services Manager

Laura Austin Community and Events Manager

Façade Rebate Review:

Bobby Schaffer has provided most of the required materials for application. Lost Larson has been pre-approved for \$5000 pending on additional materials.

New Façade will include:

A new striped canvas awning Refurnish existing blade sign Install antique storefront door of wood and glass New pendant light above entry way Penny tile entryway Painted signage on window Wood paneling for base exterior walls

Committee's Suggestions/ Money saving tips:

-Adding two foot transom at the header of the glass accordion windows. This will save you money, be less hefty of a window, and will greatly reduce any obstruction of the awning.

-Adding a color to the black aluminum-cladded window frames to make feel more warm and have better cohesion with your design. Anteprima is a good example on how they took the traditional black aluminum work and make it blend in with design.

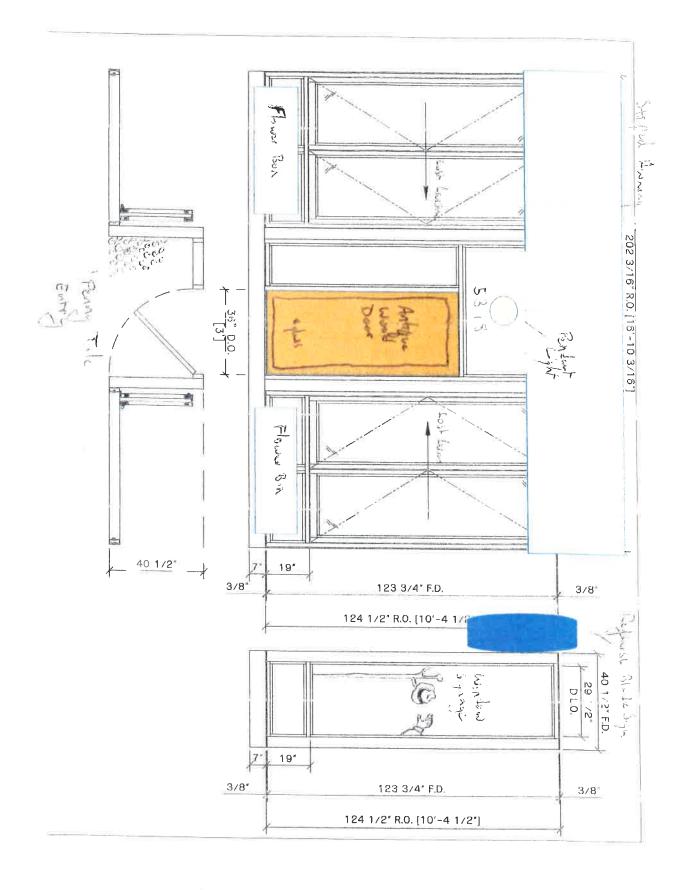

The committee would like to see any renderings of your signage and how awnings extend of the right of way. As well as how much the property owner will contribute to buildout.

Green Building Incentive Program Review

Lost Larson has provided all required materials and has been Approved for \$462

Lost Larson will install:

Façade Rebate Review:

Alamo Shoes has provided most of the required materials for application. Alamo Shoes has been pre-approved for \$5000 pending on additional materials: proof of canceled check

New Façade will include:
Storefront Glazing and Doors
Gypsum Board System
Exterior pressure washing
Lighting
Hard tile
Cast in place concrete

Committee's Suggestions/ Money saving tips:

- -Updated drawings with window moliyum locations
- -Suggest seeing a sample of the truertine window tint so that it doesn't come out purple or an unexpected color.

The committee would like to see updated renderings of your signage and awnings if they are different than the awnings you have currently.

SECURITY INCENTIVE PROGRAM GUIDELINES AND PROCEDURES

Introduction

Andersonville Chamber of Commerce's Security Incentive Program (SIP) encourages the safety of our businesses by granting an incentive to install security measures to help keep Andersonville a wonderful place to shop, dine, and experience. This rebate program offers up to 50% of qualifying expenses with a maximum rebate of \$5000 for security enhancements for commercial businesses, property owners and condominium associations complying with program requirements. The program is managed by the Andersonville Chamber of Commerce and funded solely by the Special Service Area #22. This program provides financial assistance to the owners and tenants of buildings that have street level commercial space within the published Special Service Area #22 boundaries.

Location

The Security Incentive Program is applicable to properties located within the SSA #22 boundaries: North Clark Street between Ainslie and Victoria.

Map of SSA #22

Extends to Ashland:

Victoria Street

Edgewater Avenue

Hollywood Avenue

Olive Avenue

Catalpa Avenue

Balmoral Avenue

Foster Avenue

Extends to the Alley between Glenwood and Ashland:

Summerdale Avenue

Berwyn Avenue

Winona Street

Carmen Avenue

Winnemac Avenue

Argyle Street

Ainslie Street

Eligible Applicants

- Owners and tenants (with owner's written consent) of street level commercial and industrial property.
- If applicant is a tenant, he/she must have a leasehold interest in the property according to a lease agreement for at least 3 years, and have written property owner approval.
- Preference will be given to applicants who show that the funding assistance is necessary to help them complete the proposed project.
- Preference will be given to applicants and buildings that have not participated in the program before.
- Preference will be given to projects that have the greatest impact to the safety of the Andersonville Commercial District.

Eligible Projects/Expenses

- Security Cameras, glass repair and replacement, glass anti-smash upgrades, graffiti prevention and exterior lighting including motion-sensor lighting
- Projects must include enhancements that will include the public-right-of-way.
- Camera/surveillance systems that includes at least one camera that is 1080p
 hi-def quality or better are highly encouraged in order to ensure facial recognition on footage.
- Reimbursement project funding includes installation of the product, not ongoing maintenance or subscription costs
- All improvements must be compatible with the City of Chicago's city and building zoning regulations (The Andersonville Chamber of Commerce or SSA #22 is not responsible for obtaining or approving permits.)
- All applicants are encouraged to register security cameras with the Chicago Office of Emergency Management and communications' Private Sector Camera Initiative. For more information please call 312-746-9111 or email.
- Installing "anti-graffiti" and or anti-smash film to storefront windows
- Repairing or replacing glass to remove graffiti damage or glass that has been broken
- All applications are subject to be reviewed by the Security Incentive Review
 Committee which includes members of SSA #22 and the Andersonville Chamber of Commerce.
- Where the applicant is the contractor or supplier, profits and overhead are not eligible expenditures.
- Applicants are required to submit two sets of cost estimates for review and the Security Incentive Reviewing Committee reserves the right to reject questionable estimates.

Even if the applicant plans on completing work themselves they must obtain two cost estimates in addition to their own.

In order to maximize the number of eligible projects that receive assistance, the Security Incentive Review Committee may award a rebate at an amount less than the allowable maximum.

Ineligible Projects/Expenses

- Projects that have started prior to project approval.
- Exterior lighting for aesthetics for awnings, lighting that is directed upwards on a building, etc. are generally not eligible for this program. For these types of lightning please review the Andersonville Façade Rebate Program for assistance.
- Ongoing costs of monthly monitoring, maintenance, or subscription costs.
- Projects that do not include a public-right-of-way component (for example interior security cameras).
- Installation of burglar bars or roll down security barriers.
- Reduction of display area window areas.

Project Sequence & Administrative Procedures

Step 1: Application

The applicant must submit the following:

- Completed application form
- \$30 non-refundable processing fee in the form of a check or money order made payable to the Andersonville Chamber of Commerce.
- Written approval from the property owner for the proposed work (if applicant is a tenant).
- Detailed cost estimates from two different contractors. Specify which of the contractors you wish to
 use. The Committee reserves the right to reject questionable estimates. If the applicant plans to serve as
 a contractor or supplier on the project she/he will still need to obtain two cost
 estimates in addition to his/her own estimate.
- The Committee reserves the right to reject questionable estimates. If the applicant plans to serve
 as a contractor or supplier on the project she/he will still need to obtain two cost estimates in
 addition to his/her own
 estimate.

Step 2: Security Incentive Application Review

The Security Incentive Reviewing Committee is made up of representatives from the Special Service Area #22 Commission and Andersonville Chamber of Commerce staff. The Committee will review all applications according to the schedule above and consider the degree to which the proposed project

follows the attached design

The applicant may be asked to address any questions/concerns the Committee has regarding the application and will have the opportunity to meet with the Committee to answer/ask any questions. If the project is eligible, the applicant will be told the rebate amount he/she can expect to receive for the proposed project. If the project is not

eligible, an explanation will be given. The Committee reserves the right to reject applications and they may give preference to properties that have not recently received funds from the program.

Step 3: Construction

Once the bids and permits (if necessary) have all been received and approved, the applicant will proceed with its improvement project in accordance with the plans and specifications submitted to the Security Incentive Reviewing Committee. All work must be completed within 180 days of receiving a design approval from the

Committee, otherwise the rebate may be directed toward another applicant.

Applicants may ask for an extension of up to an additional 180 days.

Requests for extensions must be made to the Andersonville Chamber of Commerce in writing before the initial 180 day project period is closed.

Step 4: Issuance of Rebate

Upon completion of the project, a member of the Security Incentive Reviewing

Committee will inspect the project to ensure compliance with the approved plans and cost estimates. Rebate checks will be sent as quickly as possible, but may take approximately four weeks after the following documentation has been submitted:

Written verification that all of the agreed upon work has been completed correctly.

Copies of all paid invoices and cancelled checks or credit card receipts for all eligible work.

<u>Checks are released pending fiscal year availability of funds. In some cases</u>

<u>applicants who complete work in the later part of the fiscal year my not received funds until the early part of the following fiscal year.</u>

Compliance

Applicants must certify that they will not either sell or leave the property for three years from the date of the application.

City Permit Information

Security cameras and exterior lighting that go on or over the public right-of-way require a permit from the department of Business Affairs and Consumer Protection, Public Way Use Unit, City Hall, 121 N LaSalle Street Room 800, 312-744-6060.

Security Best Practices

- Look into HD Video systems that provide clear Internet Protocol (IP)/ high definition video.
- Choose a camera that filters glare and look for an infrared cameras that reduce glare of headlights;
- Look into a Panoramic-style camera. The are great for businesses that require extensive coverage
- Place high away from vandalism and opt for one that is covered or encased
- Maintain generally clear and uncluttered display windows free of most obstructions;
- Attend you local bi-monthly Community Justice Center meetings and regular CAPS meetings;
- Maintain lighting outside your business and change when necessary
- Maintain clear lines of sight into the interior space from the exterior public way;
- Educate your staff on best safety practices.

Helpful Information

3 Types of Cameras

- Fixed Cameras that are locked into place
- Mechanical Pan, Tilt, Zoom that can be manually adjusted by an operator. Note: the camera can only
 - record the current area viewed
- Panoramic cameras can be manually adjusted by an operator over a small area and the system can
 - record the entire area covered.

Consult with your local security camera installation company to ensure the best solution for your security needs.

Be sure to check with your insurance company about potential discounts for adding a security camera.
